**Medieval Prostitution** Jacques Rossiaud 1995-12-11 In fifteenth-century France, public prostitution was condoned by all sectors of society. Clerics and municipal officials not only tolerated prostitution, but were often its principal beneficiaries, owning and frequenting brothels quite openly. The explanation of this remarkable state of affairs is just one aspect of Jacques Rossiaud's vivid reconstruction of a part of medieval society that has previously received little attention. Drawing upon extensive research in medieval archives, the author shows that most fifteenth-century Frenchwomen could expect a life of constant subjugation to male desire. Rape, for instance, was common and considered only a minor crime. He then considers whether public prostitution might paradoxically have been seen by the secular and religious authorities as a means of social control, and of preserving marital stability: the virtue of wives and daughters was best protected by the existence of public brothels, where sexual urges could be satisfied without adultery or rape. Jacques Rossiaud also describes the social background of the prostitutes, brothel-keepers, pimps, and their clientele, providing a vivid overview of the context in which medieval prostitution existed. Medieval Prostitution will be of interest to medieval historians, as well as to students of the history of the family and sexuality.

**Slow Wine Guide USA 2021** Deborah Parker Wong 2021-04-16 With a total of 285 wineries reviewed from California, Oregon and now from New York and Washington states, the 2021 edition of the Slow Wine guide USA covers more ground than ever before. For the first time, the 2021 edition stands as an individual publication devoted to US producers. The idea behind Slow Wine is straightforward: it acknowledges the unique stories of people and vineyards, of grape varieties and landscapes, and of their wines. The knowledge that wine is more than just liquid in a glass helps wine lovers make better, more conscious choices and enhances the very enjoyment of these products. Since its beginnings in Italy eleven years ago, Slow Wine has combined its tasting sessions with equally important moments of exchange and debate with producers. In doing so, we're bringing you the most up-to-date information about what's happening at the wineries within our pages. We're thrilled to see the guide finding fertile ground in the USA. Our incredible team of wine experts has once again teamed up to bring you our fourth edition, Slow Wine 2021 - a year in the life of the vineyards and wines of the USA.

Historical Atlas of Medieval Music Vera Minazzi 2019-08-31 Music is rooted in the heart of Western culture. The absence of music from the usual publications of medieval history and history of art of the Middle Ages is understandable, considering the rarity of sources. And yet, throughout the last decades, an intense activity of historico-musicological research has been carried out internationally by a select group of specialized scholars. The ambitious goal of this work is to set medieval music within its historical and cultural context and to provide readers interested in different disciplines with an overall picture of music in the Middle Ages; multi-faceted, enjoyable, yet scientifically rigorous. To achieve this goal, the most prominent scholars of medieval musicology were invited to participate, along with archaeologists, experts of acoustics and architecture, historians and philosophers of the medieval thought. The volume offers exceptional iconography and several maps, to accompany the reader in a fascinating journey through a network of places, cultural influences, rituals and themes.

1001 vini da bere almeno una volta nella vita Francesca Negri 2015-10-29 «La vita è troppo breve per bere vini mediocri.» Johann Wolfgang Goethe 1001 vini da bere almeno una volta nella vita, più o meno blasonati e scelti dall'infinita carta dei vini della produzione mondiale: partendo dalle 516 etichette dell'Italia, si sconfinano nelle regioni vinicole europee (Francia, Spagna, Germania in primis), fino ad approdare in altri continenti (Stati Uniti, Australia, Cile, Nuova Zelanda, Libano, Israele). Un giro del pianeta avvincente, alla scoperta di nettari di Bacco capaci di restare nel cuore e di raccontare storie di uomini e territori in 1001 schede, che rappresentano delle vere e proprie "carte d'identità" dei vini, con tutte le informazioni necessarie per goderseli al meglio: abbinamenti ideali, temperature a cui servirli, curiosità sulla storia delle cantine che li producono. Dalle bollicine ai passiti, passando per bianchi, rosati e rossi: un vademecum indispensabile, per intenditori del buon vino, per chi desidera diventarlo o semplicemente per chi vuole essere sicuro di bere bene sempre senza spendere per forza un capitale. Da una delle blogger più seguite sul web Francesca Negri giornalista e Donna del Vino, è wine tutor del programma Detto Fatto, su Rai2. Partecipa a eventi locali e nazionali legati al vino, conduce show cooking e cura un blog seguitissimo, geishagourmet.com, dove potrete sapere tutto su di lei.

*The Saga of the People of Laxardal and Bolli Bollason's Tale* Leifur Eiricksson 2008-04-24 The action of the saga takes place at the end of the tenth century, at about the time Scandinavia was converting from worship of Norse

gods to Christianity. A masterpiece of medieval literature, the story focuses on two families — that of Hoskuld, a prominent farmer with several sons, and that of Gudrun, the most beautiful woman ever born in Iceland.

**Pilgrimage** Jonathan Sumption 2011-07-07 In a fascinating work of history, Jonathan Sumption brings alive the traditions of pilgrimage prevalent in Europe from the beginning of Christianity to the end of the fifteenth century. Vividly describing such major destinations as Jerusalem, Rome, Santiago de Compostela and Canterbury, he examines both major figures - popes, kings, queens, scholars, villains - and the common people of their day. With great sympathy he evokes their achievements and failures, and addresses the question of what motivated such extraordinary quests.

Angelo Beolco (Il Ruzante) Ruzzante 2009 Perhaps the most extreme oration ever delivered to a bishop, the Prima oratione is presented here in a first complete transcription of all three surviving manuscript versions, and for the first time with an English translation. Through extensive original research of manuscript sources, the editor posits new dates, places, and audiences for multiple performances of the oration.

*Language and Social Context* Pier Paolo Giglioli 1990 Even the simplest of spoken statements may provide far more information about the speaker - his social standing, his immediate situation, his relationship with his audience - than he might ever suspect. Sociolinguistics focuses on all the varied aspects of the social organization of speech. We share a linguistic repertoire with members of our social networks (and failure to "fit in" linguistically may have far-reaching consequences); we also alter our speech patterns according to the specific social situation.

*The Demes of Attica, 508/7 -ca. 250 B.C.* David Whitehead 2014-07-14 This work is a richly detailed study of the nature and development of the 139 Attic demes, the local units that made up the city-state of Athens during the classical and early Hellenistic periods. Originally published in 1986. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

**A Reference Grammar of Modern Italian** Professor Martin Maiden 2014-02-04 This Italian reference grammar provides students, teachers and others interested in the Italian language with a comprehensive, accessible and jargon-free guide to the forms and structure of Italian. Whatever their level of knowledge of the language, learners of Italian will find this book indispensable: it gives clear and detailed explanations of everything from the most elementary facts such as the relation between spelling and pronunciation, or the forms of the article, to more advanced points such as the various nuances of the subjunctive. Formal or archaic discourse is distinguished from informal, everyday usage, and regionalisms are also indicated where appropriate. The authors have taken care to make it an easy and illuminating reference tool: extensive cross-referencing enables readers to quickly find the information they require, and also stimulates them to discover new, related facts.

Medieval Arab Cookery Arthur John Arberrry 2001 "The French scholar, Maxime Rodinson's contributions are legendary, yet have only been seen in translation in *Petits Propos Culinaires*. We include those already published there, together with the text of his longest paper, 'Recherches sur les documents Arabes relatifs a la cuisine', translated by Barbara Yeomans. The American scholar Charles Perry has been entertaining participants at the

Oxford Symposium with regular gleanings from his researches into medieval Arab cookery, and several of his papers are gathered here, together with a new study of fish recipes, and other items previously published in PPC. Subjects include grain foods of the early Turks, rotted condiments, cooking pots, and *Kitab al-Tibakhah*, a 15th-century cookery book. English study of the subject was first encouraged by Professor Arberrry's translation of the 13th-century cookery book *Kitab al-Tabikh*, published in 1939 in the periodical *Islamic Culture*."

Roberto Bazlen 2019-05 An advisor to Italian publishing houses, a translator of Freud and Jung, a friend of Montale and Calvino, Roberto Bazlen was nothing if not a literary man, but kept his writings to himself. Here, translated into English for the first time, the reader will discover Bazlen's ~~*The Beer Book*~~ an unfinished novel, *The Sea Captain*, which bears comparison with the fiction of Kafka and Beckett; a selection of entries from his notebooks dealing with topics as various as whether or not there is an "animal Jahweh" and the aesthetic limitations of the cinema; a trio of essays on his native city of Trieste; and a sampling of his editorial letters. *Notes Without a Text* is an introduction to the work of one of the unknown masters of twentieth-century European literature.

Free Jazz/Black Power Philippe Carles 2015-01-01 In 1971, French jazz critics Philippe Carles and Jean-Louis Comolli co-wrote *Free Jazz/Black Power*, a treatise on the racial and political implications of jazz and jazz criticism. It remains a testimony to the long ignored encounter of radical African American music and French left-wing criticism. Carles and Comolli set out to defend a genre vilified by jazz critics on both sides of the Atlantic by exposing the new sound's ties to African American culture, history, and the political struggle that was raging in the early 1970s. The two offered a political and cultural history of black presence in the United States to shed more light on the dubious role played by jazz criticism in racial oppression. This analysis of jazz criticism and its production is astutely self-aware. It critiques the critics, building a work of cultural studies in a time and place where the practice was virtually unknown. The authors reached radical conclusions—free jazz was a revolutionary ~~reaction~~ *reaction* against white domination, was the musical counterpart to the Black Power movement, and was a music that demanded a similar political commitment. The impact of this book is difficult to overstate, as it made readers reconsider their response to African American music. In some cases it changed the way musicians thought about and played jazz. *Free Jazz / Black Power* remains indispensable to the study of the relation of American free jazz to European audiences, critics, and artists. This monumental critique caught the spirit of its time and also realigned that zeitgeist.
