Othello William Shakespeare 2021-04-12 Enter RODERIGO and IAGORODERIGOTush! never tell me; I take it much unkindly That thou, Iago, who hast had my purse As if the strings were thine, shouldst know of this.IAGO'Sblood, but you will not hear me: If ever I did dream of such a matter, Abhor me.RODERIGOThou told'st me thou didst hold him in thy hate.IAGODespise me, if I do not. Three great ones of the city, In personal suit to make me his lieutenant, Off-capp'd to him: and, by the faith of man, I know my price, I am worth no worse a place: But he; as loving his own pride and purposes, Evades them, with a bombast circumstance Horribly stuff'd with epithets of war; And, in conclusion, Nonsuits my mediators; for, 'Certes, ' says he, 'I have already chose my officer.' And what was he? Forsooth, a great arithmetician, One Michael Cassio, a Florentine, A fellow almost damn'd in a fair wife; That never set a squadron in the field, Nor the division of a battle knows More than a spinster; unless the bookish theoretic, Wherein the toged consuls can propose As masterly as he: mere prattle, without practise, Is all his soldiership. But he, sir, had the election: And I, of whom his eyes had seen the proof At Rhodes, at Cyprus and on other grounds Christian and heathen, must be be-lee'd and calm'd By debitor and creditor: this counter-caster, He, in good time, must his lieutenant be, And I-God bless the mark!-his Moorship's ancient

The King in Yellow Robert William Chambers 2020-09-28 Toward the end of the year 1920 the Government of the United States had practically completed the programme, adopted during the last months of President Winthrop's administration. The country was apparently tranquil. Everybody knows how the Tariff and Labour questions were settled. The war with Germany, incident on that country's seizure of the Samoan Islands, had left no visible scars upon the republic, and the temporary occupation of Norfolk by the invading army had been forgotten in the joy over repeated naval victories, and the subsequent ridiculous plight of General Von Gartenlaube's forces in the State of New Jersey. The Cuban and Hawaiian investments had paid one hundred per cent and the territory of Samoa was well worth its cost as a coaling station. The country was in a superb state of defence. Every coast city had been well supplied with land fortifications; the army under the parental eye of the General Staff, organized according to the Prussian system, had been increased to 300,000 men, with a territorial reserve of a million; and six magnificent squadrons of cruisers and battle-ships patrolled the six stations of the navigable seas, leaving a steam reserve amply fitted to control home waters. The gentlemen from the West had at last been constrained to acknowledge that a college for the training of diplomats was as necessary as law schools are for the training of barristers; consequently we were no longer represented abroad by incompetent patriots. The nation was prosperous; Chicago, for a moment paralyzed after a second great fire, had risen from its ruins, white and imperial, and more beautiful than the white city which had been built for its plaything in 1893. Everywhere good architecture was replacing bad, and even in New York, a sudden craving for decency had swept away a great portion of the existing horrors. Streets had been widened, properly paved and lighted, trees had been planted, squares laid out, elevated structures demolished and underground roads built to replace them. The new government buildings and barracks were fine bits of architecture, and the long system of stone quays which completely surrounded the island had been turned into parks which proved a god-send to the population. The subsidizing of the state theatre and state opera brought its own reward. The United States National Academy of Design was much like European institutions of the same kind. Nobody envied the Secretary of Fine Arts, either his cabinet position or his portfolio. The Secretary of Forestry and Game Preservation had a much easier time, thanks to the new system of National Mounted Police. We had profited well by the latest treaties with France and England; the exclusion of foreign-born Jews as a measure of self-preservation, the settlement of the new independent negro state of Suanee, the checking of immigration, the new laws concerning naturalization, and the gradual centralization of power in the executive all contributed to national calm and prosperity. When the Government solved the Indian problem and squadrons of Indian cavalry scouts in native costume were substituted for the pitiable organizations tacked on to the tail of skeletonized regiments by a former Secretary of War, the nation drew a long sigh of relief. When, after the colossal Congress of Religions, bigotry and intolerance were laid in their graves and kindness and charity began to draw warring sects together, many thought the millennium had arrived, at least in the new world which after all is a world by itself. *The Tain of Hamlet* Laurie Johnson 2014-10-17 Shakespeare's Hamlet is considered by many to be the cornerstone of the English literary canon, a play that remains universally relevant. Yet it seems likely that we have spent so long reading the play for its capacity to reflect ourselves that we have lost sight of the thing itself. The goal of this book is to look beyond the Hamlet that has bedazzled critics for centuries, to seek to apprehend the play in all of its historical distinctness. This is not simply the search for what the play me...

A Midsummer-night's Dream William Shakespeare 1874

The Kind Queen 2017-01-31

Gertrude and Claudius John Updike 2001-07-03 Gertrude and Claudius are the "villains" of Hamlet: he the killer of Hamlet's father and usurper of the Danish throne; she his lusty consort, who marries Claudius before her late husband's body is cold. But in this imaginative "prequel" to the play, John Updike makes a case for the royal couple that Shakespeare only hinted at. Gertrude and Claudius are seen afresh against a background of fond intentions and family dysfunction, on a stage darkened by the ominous shadow of a sullen, erratic, disaffected prince. "I hoped to keep the texture light," Updike said of this novel, "to move from the mists of Scandinavian legend into the daylight atmosphere of the Globe. I sought to narrate the romance that preceded the tragedy."

Rethinking Class Fiona Devine 2017-09-15 Edited by leading British sociologists of stratification, this book advances contemporary debates in class analysis. It draws on current theoretical debates in sociology and considers the implications of the cultural turn for the study of class. It brings together the very latest empirical work on contemporary topics such as culture, identities and lifestyles undertaken by researchers from Britain, Germany, the Netherlands and Australia. It will be required reading for those committed to pushing the boundaries of class and stratification in new and exciting directions around the world.

Teaching Students Hamlet! a Teacher's Guide to Shakespeare's Play (Includes Lesson Plans, Discussion Questions, Study Guide, Bio 2013-03-30 Shakespeare's one of the greatest playwrights of all time—but telling a student this isn't enough. This bundled book is perfect for teachers looking for lesson plans and other resources to get students interested in the Bard. Inside you will find a five day lesson plan, discussion questions, a comprehensive study guide, a biography about the life and times of Shakespeare, and a modern retelling (along with the original text) of Shakespeare's Hamlet. Each section of this book may also be purchased individually.

Nutshell Ian McEwan 2016-09-13 New from the bestselling author of Atonement and The Children Act Trudy has betrayed her husband, John. She's still in the marital home—a dilapidated, priceless London townhouse—but John's not there. Instead, she's with his brother, the profoundly banal Claude, and the two of them have a plan. But there is a witness to their plot: the inquisitive, nine-month-old resident of Trudy's womb. Told from a perspective unlike any other, Nutshell is a classic tale of murder and deceit from one of the world's master storytellers.

Rhetoric's Questions, Reading and Interpretation Peter Mack 2017-08-20 This book aims to help readers interpret, and reflect on, their reading more effectively. It presents doctrines of ancient and renaissance rhetoric (an education in how to write well) as questions or categories for interpreting one's reading. The first chapter presents the questions. Later chapters use rhetorical theory to bring out the implications of, and suggest possible answers to, the questions: about occasion and audience (chapter 2), structure and disposition (3), narrative (4), argument (5), further elements of content, such as descriptions, comparisons,

proverbs and moral axioms, dialogue, and examples (6), and style (7). Chapter eight describes ways of gathering material, formulating arguments and writing about the texts one reads. The conclusion considers the wider implications of taking a rhetorical approach to reading. The investigation of rhetoric's questions is interspersed with analyses of texts by Chaucer, Sidney, Shakespeare, Fielding and Rushdie, using the questions. The text is intended for university students of literature, especially English literature, and rhetoric, and their teachers.
