**Deconstructing the Jodoverse** Alejandro Jodorowsky 2021-10-26 Visionary author, filmmaker, and philosopher Alejandro Jodorowsky has created — along with some of the world’s most singular and talented sequential artists — an incredible Sci-Fi universe, full of love, revenge, intrigue, betrayal, and redemption: THE JODOVERSE. The Jodoverse’s two cornerstone series are The Incal and The Metabarons, which together have sold over 5 million copies worldwide. This deluxe box set (two oversized books in one deluxe slipcase box) will be limited at 1500 numbered copies. Book 1 will contain the reference guide on The Incal, Deconstructing the Incal, which lifts the veil on many of the mysteries and secrets surrounding the seminal science-fiction graphic novel. This encyclopedic reference book is packed with fascinating insights from the creators, Jodorowsky and Mœbius, alongside revealing text and rare and unseen preliminary illustrations. The book will also contain the original 56 pages drawn by Mœbius of the unfinished first version of the sequel story (After The Incal). Book 2 will feature the second reference guide to the Jodoverse, Deconstructing the Metabarons, focused on unveiling the secrets of the universe’s fiercest warrior clan: the Metabarons. Book 2 will also include Weapons of the Metabarons, the seminal series’ spin-off story recounting how the mightiest warrior in the universe built his arsenal of war and featuring A-list comics star Travis Charest’s (Wildcats, WildC.A.T.s/X-Men: The Golden Age, and Star Wars comics covers) interpretation of The Metabarons’ mythology.

**Wilhelm, The Techno-Admiral** Alejandro Jodorowsky 2016-10-18 The return of the greatest warrior in the universe: The Metabaron! **Ultimates Vol.1** Mark Millar 2011-01-01 When Nick Fury, head of an elite espionage agency, hears about several bizarre characters and misfits, he puts together a small but lethal army known as the Ultimates, created to protect mankind from rising threats. *Son of the Gun* Alejandro Jodorowsky 2014-10-22 When an abandoned baby, sporting a tail, is rescued from a South American rubbish bin by a dwarf transvestite prostitute, you know you're reading a story that only the mad genius of Alejandro Jodorowsky ("The Incal," "The Metabarons") could conceive! The child grows up to become Juan Solo, a vicious gangster and political enforcer, whose savagery sees him quickly rise through the ranks. Until his past catches up to him...

**Dona Vicenta** Alejandro Jodorowsky 2014-03-19 A grand scale space opera about family, sacrifice, and survival told within an immense universe, both in scope and originality.

**Have We No Rights?** Mabel Williamson 2006-11-01 As a missionary in overcrowded China for many years, Mabel Williamson learned that she was not her own. She could not stand for her own rights because, in a real sense, she had no rights. Throughout this interesting and informative book, the author shows you the difference between suffering hardships and suffering the infringement of one’s rights. She says that every truly consecrated Christian must be willing to give up the right to the normal comforts of life, to physical health and safety, to the privacy of business, and to time, friends, romance, family, and home. There are numerous illustrations and frank discussions that will provide you with fascinating material. This is especially good material for mission groups and churches.

*The Eyes of the Cat* Alejandro Jodorowsky 2014-03-19 The very first graphic storytelling collaboration between two masters of the medium, Alejandro Jodorowsky and Moebius.

*Rina, the Meta-Guardianess* Jerry Frissen 2018-12-11 The return of the greatest warrior in the universe: The Metabaron!

*Albina and the Dog-Men* Alejandro Jodorowsky 2016-05-10 From the psychomagical guru who brought you The Holy Mountain and Where the Bird Sings Best comes a supernatural love-and-horror story in which a beautiful albino giantess unleashes the slaving animal lurking inside the men of a small village. When two women—an amnesiac goddess and her protector, a leather-tough woman called Crabby—arrive in a Chilean desert town, Albina’s otherworldly allure and unfettered sensuality turn men into wild beasts. Chased by a clubfooted corrupt cop, evil corporate overlords, giant-hare-riding narcotics, and Himalayan cultists, Albina and Crabby must find a magical cactus that will cure Albina and the men’s monstrous affliction before the town consumes itself in an orgy of lust and violence. Albina and the Dog-Men is Alejandro Jodorowsky’s darkly funny, shocking, and surreal hybrid of mystical folktale, road novel, horror story, and social parable, ultimately uniting in a universal story of love against the odds and what makes us human. Praise for Albina and the Dog-Men “Deeply psychological and mysterious, the book will stimulate the imagination of the reader’s mind to the extreme.” —Marina Abramović “In his latest novel, Jodorowsky builds on his multi-decade long assault of the public imagination . . . a fantastical and genre-defying parable of love and friendship. . . . Throughout this dark dream of a novel, Jodorowsky’s writing is comic and occasionally mesmerizing. It is also ripe with horror and philosophical questions about what it means to belong, everywhere and nowhere. And while some of the subject matter is disturbing, it often carries the air of something ancient that you read children by a fire. For years Jodorowsky has proven the intensity of his imagination, and how far he is willing to go to present his singular vision to the world. He is a fully realized artist whose tales demand attention. At its core, Albina and the Dog-Men is a love story about two people committed to one another’s survival and to discovering their potential. And, as with life, it is sometimes only through the weathering of a storm that our true capacities are made clear.” —Juan Vidal, NPR Books “[Albina and the Dog-Men] may be the ultimate piece of Jodorowsky arcana, a mind-bending adventure story on par with his wildest cinematic visions. . . . A surrealist novel par excellence, Albina and the Dog-Men is a dream, a prophecy, a hallucination, and a transfiguration such as only Jodorowsky could induce.” —Publishers Weekly “Composed like a feverish fairytale, Albina and the Dog-Men is a South American parable of self-acceptance and belonging that is fueled by prurience and colored with vivid, hallucinogenic details. . . . No moment of Jodorowsky’s book is at all predictable or familiar, and those who have a taste for the uncanny will be in awe over its undulations into strange, even godly, territory. The sensuality of the prose thickens as Albina’s situation becomes more tenuous, resulting in heady and appealing constructions. . . . As Albina and her followers traipse over barren lands and into forests protected by ancient Incans, the novel winds toward territory both magical and needfully human. The surreal methods of redemption in the novel’s final pages prove both glorious and moving. Jodorowsky’s is a work of unforgettable weirdness, a work whose movements are directed by sometimes violent mysticism and whose final lessons may speak to all who have ever dreamed of transformation.” —Michelle Anne Schingler, Foreword Reviews, Five-Star Review *Justice League (2018-) #21* Scott Snyder 2019-04-03 The Justice League pulls back the curtain on their futures and learns that not everything is what they’ve seen. The team goes to confront the Justice League of Tomorrow for the truth, but can they handle it? Meanwhile, with his powers waning, Superman struggles to remain hopeful on a world with no sunlight.

*The First Ancestor* Alejandro Jodorowsky 2014-03-26 Before the Metabarons there were the Castakas, a clan of lawless pirates - this is their story.

**Suicide Alley** Alejandro Jodorowsky 2014-03-19 The adventures of a young John Difoool before he became the most famous Sci-Fi anti-hero.

*Orne-8, The Techno-Cardinal* Alejandro Jodorowsky 2017-03-15 The return of the greatest warrior in the universe: The Metabaron!

**No Name, the Techno-Baron** Jerry Frissen 2018-12-11 The return of the greatest warrior in the universe: The Metabaron!

**Oda** Alejandro Jodorowsky 2014-03-19 A grand scale space opera about family, sacrifice, and survival told within an immense universe, both in scope and originality.

**Angel Claws** Alejandro Jodorowsky 2019-03-19 In "Angel Claws," frequent collaborators Alexandro Jodorowsky and Moebius ("The Incal," "The Eyes of the Cat") indulge their naughtier sides as they describe a young woman’s quest for sexual awakening. Suggestive eroticism quickly evolves to metaphysical delirium.

**The Fifth Essence - Planet DiFool** Alejandro Jodorowsky 2014-03-19 The Sci-Fi masterpiece by Moebius and Jodorowsky about the tribulations of the shabby detective John Difoool as he searches for the precious and coveted Incal.

*Before The Incal* Alejandro Jodorowsky 2014-09-24 We are instantly plunged back into the unique atmosphere of the world of "The Incal," as we witness John Difoool’s search for his identity and his origins, his first meeting with Deepo, and the appearance of many of the series’ key characters, such as the Metabaron or Diavaloo.

**Deicide** Carolos Portela 2004 In a world where tribal villagers pay bloody sacrifices to a seemingly never-ending pantheon of both good and evil gods, DECIDE tells the story of a man who rejects the gods. Angered by the unnecessary sacrifice of his love, Aldara, to the hideous god Madorak, Agon sets out on a journey to reclaim her soul. Along the way, Agon is aided (and sometimes hindered) by Beluch, a lion-headed man with problems of his own. This trade paperback collection features a unique and raucous mix of action and humor. SUGGESTED FOR MATURE READERS.

*The Panic Fables* Alejandro Jodorowsky 2017-03-16 The complete series of filmmaker Alejandro Jodorowsky’s spiritual comics, translated into English for the first time • Contains all 284 of Jodo’s Panic Fables comics, published weekly from 1967 to 1973 in Mexico City’s El Heraldó newspaper • Includes an introduction describing how the Panic Fables came to be • Explains how he incorporated Zen teachings, initiatory wisdom, and sacred symbology into his Panic Fables, as well as himself as one of the characters In 1967, in response to theatrical censorship rules that put him on the political “black list” in Mexico City and caused his plays and his pantomime classes at the School of Fine Arts to be cancelled, Alejandro Jodorowsky decided to pursue a new form of artistic expression to earn his living: comics. Working with his friend Luis Spota, the editor of the cultural section of the newspaper El Heraldó de México, Jodo initially planned 3 months’ worth of weekly comics, which he would draw himself. However, his “Panic Fables”—named after his early ’60s avant-garde theater movement in Paris--were met with such insatiable popularity that he continued the series for six and a half years, from June 1967 until December 1973. Appearing for the first time in English, this book presents all 284 of Jodorowsky’s Panic Fables in full color, along with an introduction by the author. He reveals how his first comics reflected his pessimism about the future and the meaning of life, the negativity of which soon exhausted him. He realized he needed to show the positivity that he encountered in life, and thus, little by little, he began incorporating Zen teachings, initiatory wisdom, and sacred symbology into his Panic Fables. Through this transformation and the outpouring of support from his devoted readers, many of whom cite the Panic Fables as providing pivotal guidance during their adolescence, Jodo discovered that art can serve to heal as well as raise consciousness. Writing himself into his comics, Jodo can be glimpsed as the character of the disciple who talks with his master and, as the series progresses, gradually grows to assume the role of master, providing psychomagic solutions to the problems of everyday life. In reading the complete Panic Fables in chronological order, much like his film The Dance of Reality, we witness in colorful detail Jodorowsky’s own path of spiritual growth. *The Metabarons* Alejandro Jodorowsky 2015-02-25 A must-read cult spin-off of "The Incal," by Moebius and Jodorowsky, centering around the fascinating lineage of the ultimate warrior. This collection introduces the Metabaron’s bloodline and reveals the origins of their deep-seated principles. Find out the source of the family’s vast wealth, learn why every Metabaron has cybernetic implants, and why the only way to become the next Metabaron is for him to defeat his own father in a mortal combat. Follow each successive generation as it struggles to overcome the forces amassed against it in a galaxy corrupted by greed, power, and terror. A true classic in the pantheon of graphic storytelling and Science Fiction as a whole.

*Trans Wizard Harriet Porber And The Bad Boy Parasaurolophus* Chuck Tingle 2020-06-12 Trans wizard Harriet Porber is a master spellsmith who’s found herself in a bit of a pickle. After finishing wizard college, Harriet made a name for herself by creating a hit viral spell, but has since failed to craft a follow up. Now Harriet’s agent, Minerma, is breathing down her neck, suggesting that Harriet take a trip to an island off the coast of England for inspiration. Hoping for some peace and quiet to clear her head, Harriet Porber arrives to find that her new neighbor, an angsty bard named Snabe from the band Seven Inch Nails, is already there making a racket. This parasaurolophus spellcaster is a bad boy through and through, and with his incredible powers of metamagic, Snabe reveals that this layer of reality is much more than it seems. Could Harriet and Snabe really be characters in a parody romance novel? Soon enough, these two are discovering they have more similarities that differences: both trans, both strong, and both hoping to create a new spell that will change the world. But with the addition of two devious sentient motorcycles to the mix, Dellatrix and Braco, things start to get complicated. Now trans wizard Harriet Porber is caught up in a tale of magic and mystery where nothing is as it seems, except for one universal truth: love is real. This is a 52,000 word bad boy romance novel for adults. It contains some explicit scenes.

**Aghnar** Alejandro Jodorowsky 2014-03-19 A grand scale space opera about family, sacrifice, and survival told within an immense universe, both in scope and originality.

**Loving Dead** Stefano Raffaele 2014 Alan was a simple carpenter until a freak accident ended his life. Now he is among the undead, in a world where 95% of the population are sentient zombies. While on the run from the many - both live and dead - violent factions dotting this post-apocalyptic landscape, Alan finds the girl of his dreams - the decaying, yet beautiful, Lynn. As their bodies rapidly disintegrate, Alan and Lynn make one last, desperate effort to live and love again by hunting down an experimental serum that might just save them. Stefano Raffaele ("Pandemonium," DC Comics' "Birds of Prey"), employs his signature macabre, yet gorgeous, style in this truly original horror tale: a zombie romance.

*Metabarons Genesis* Alejandro Jodorowsky 2016-09-20 "The Metabarons" recounted the extraordinary saga of the genealogy of the galaxy’s ultimate warrior. But his ancestors also had ancestors. And far from being noble warriors with an inflexible code, one will discover they were in fact disloyal, vengeful pirates born out of brutality and war. From legendary creator Alejandro Jodorowsky and artist Das Pastoras, and for all of those who dreamt of a sequel to "The Metabarons," comes instead the origin tale of their first ancestor, Dayal de Castaka.

**Honorata** Alejandro Jodorowsky 2014-03-19 A grand scale space opera about family, sacrifice, and survival told within an immense universe, both in scope and originality.

**Unfabulous Five** Jerry Frissen 2014-06-25 Lucha Libre, the Mexican art of wrestling, has made its way to Southern California in the form of the Luchadores Five, a gang unlike any other. Their mission is to clean up the East Los Angeles community they live in. But despite their best attempts to get rid of crime in their hometown, "The Unfabulous 5," as they are sometimes known, are regularly arrested by the police, roughed up by a myriad of other gangs, including Werewolves and angry Frenchmen, and ridiculed by the public and their loved ones. It is within this rich Lucha Libre universe, with all its eccentric yet lovable characters, that the social issues of today are addressed in imaginative and hysterical ways.
