Fab Four FAQ Stuart Shea 2007-07-01
(Book). 50 years after their

appearance on "The Ed Sullivan Show,"
the Beatles continue to captivate
music fans of all ages. There's

something always more to discuss about the Fab Four. What were their greatest live performances? Their worst moments? Stories still unknown by most music fans, trends still unseen, history still uninterpreted are all revealed in Fab Four FAQ . Pop culture authors Stuart Shea and Rob Rodriguez provide must-know fan trivia and offer obscure Beatles facts and stories in an easy-to-read, provocative format that will start as many arguments as will end them. With more than sixty chapters of stories, history, observation, and opinion, Fab Four FAQ lays bare the whys and wherefores that made the Beatles so great, giving credit where credit is due and maybe bursting some bubbles along the way.

Brian Jones Alan Clayson 2004-02-02
Brian Jones, the legend and icon, is

familiar to generations of rock fans, but the reality of his life has always remained mysterious. Granted godlike status alongside giants like Jim Morrison, Jimi Hendrix, and Janis Joplin, Jones was more than the Stones' ill-fated pretty boy. Set against the dramatic backdrop of the swingin' sixties, Alan Clayson's biography reveals an extremely talented musician and a surprisingly driven man whose creative energies propelled him to fame even as they prepared him for an early drink and drug-fueled demise. Clayson interviewed many of Jones's family and contemporaries for this in-depth portrait. Clayson examines the many spheres of Brian Jones' life, from assessing his contributions in the crucial early years of The Rolling Stones to the rumors that Jones was

murdered by a bodyguard.

The Yardbirds Alan Clayson 2002

Lasting just five years, the original Yardbirds had a tremendous impact on 1960s music and culture in America and England. Featuring 100 evocative photos in color and b&w, this biography explores those years and also the post-Yardbirds careers of Eric Clapton, Jeff Beck, and Jimmy Page, plus today's Yardbirds incarnation led by original drummer Jim McCarty.

The Rolling Stones Alan Clayson 2008

This breakthrough series looks at great music from a unique vantage point. By considering the recording session itself, rather than the final album, *Legendary Sessions* showcases the creative process and all the elements that go into making music that reflected its time, commented on

our society, and influenced our culture. How did these epoch-making sessions come about? What influenced the artists? What was it like to be there as the recording was made? Written by top entertainment journalists, *Legendary Sessions* answers those questions with an involving you-are-there style. What impact did the recording have? Who listened to it? Who imitated it? Who was inspired by it? *Legendary Sessions* looks at those questions, too, with groundbreaking interviews, eyewitness accounts, and contemporary commentary. Innovative and intriguing, *Legendary Sessions* is sure to change the way music fans listen to the great recordings of our time. After the release of the Rolling Stones's psychedelic album *Their Satanic Majesties*

Requestin 1967, many feared that the bad boys of rock had sacrificed their raw, bluesy edge to love, peace, and flower power. No need to worry. Salvation was at hand with *Beggars Banquet*, featuring "Sympathy for the Devil" and "Street Fighting Man." The album was a storming return to Satanism, social revolution, and celebrations of the working man. Author Alan Clayson explores the social and cultural developments of the time, the ways that the changing dynamics of the band affected the music, and how the songs took shape. From the latest swinging happenings down on Carnaby Street, to who Mick was sleeping with, to what Keith was taking, *Legendary Sessions: The Rolling Stones: Beggars Banquet* is an entertaining trip through rock history.

Gladsongs and Gatherings Stephen Wade 2001 The collection of essays, interviews and poetry compares and contrasts the work of people such as Adrian Henri and Roger McGough with the new crop of Liverpool poets such as Matt Simpson and Deryn Rees-Jones. The Beatles Jeremy Roberts 2011-02-01 As USA TODAY, The Nation's No. 1 Newspaper, puts it, The Beatles have never lost their standing as the world's most influential and popular band. They've sold more records than any act in U.S. history. But in the beginning, few people knew their names. The Beatles John Lennon, Paul McCartney, George Harrison, and Ringo Starr began as an ambitious band out of Liverpool, England, that wanted to play rock n roll music in the American style. Often rejected by music producers, they honed their

sound in the grimy clubs of Hamburg, Germany, and in small venues throughout Britain. In 1962, their single Love Me Do became their first hit, and by 1964 The Beatles were musically on top of the world. The group's look, sound, and musical approach influenced a generation and brought fame beyond the band's wildest dreams. But the stress of their fame and their individual career desires eventually broke up The Beatles in 1970. Yet, the band's popularity remained strong for decades and still shows no sign of waning.

Walkin' Blues-Beatles At The Crossroads JACKIE LANE 2018-01-18
Little Box of Beatles Alan Clayson 2006-08-01 With bite-size biographies of each Beatle, this gift set provides the complete history of the

four lads from Liverpool who took on the world- and won For those fans who haven't the time to spend reading the four detailed biographies or simply want an entry-level guide to this world-famous band, this quartet provides an abridged version of the Beatles, with brief biographies of each band member. Each book is supported by a detailed discography of the group and their solo careers, extended to cover the period after the band split up in 1970, making this box set a handy package for any current or would-be fan.

The Mammoth Book of the Beatles Sean Egan 2009-06-09 Over 30 landmark interviews, accounts, and memoirs of The Beatles and their entourage, recording how they inadvertently became counter-culture's figureheads and changed society.

Paul McCartney Barry Miles 1998-10-15
An authorized portrait of one of the world's most famous musicians draws on exclusive interviews and access to personal archives to chronicle his private life and successful career
The Encyclopedia of Popular Music
Colin Larkin 2011-05-27 This text presents a comprehensive and up-to-date reference work on popular music, from the early 20th century to the present day.

The Beatles Diary Volume 1: The Beatles Years Barry Miles 2009-10-27
An intimate day-by-day history of all four Beatles from childhood to the break-up of the group. All the concerts...film, TV and radio appearances...interviews, hushed-up scandals, the sex and the drugs...the triumphs and quarrels...and all the Beatles-related births, marriages and

deaths. Essential reading for anyone interested in rock's most influential phenomenon of all time.

The Beatles Arthur Davis 1995-07
Collects memorable sayings by and about the "Fab Four" and includes their thoughts on popularity, song writing, touring, and their solo careers

Yeah! Yeah! Yeah! Bob Spitz 2007-10-01
It starts in the housing projects and school playgrounds of Liverpool, where four boys would discover themselves--and a new form of music called rock 'n roll. It takes us from the famous first meeting between John and Paul, to the clubs of Liverpool and Germany when George and Ringo join the band, down Penny Lane and Strawberry Fields, to America and the height of the Beatles' success--when they were

still teenagers. In Yeah! Yeah! Yeah!, Spitz recreates the thrills, tears and magic of his New York Times bestselling adult biography, but in a style and format that's accesible for young readers. This book includes photos, sidebars and graphic elements. It's a book about teens who changed the world.

Teaching the Beatles Paul O Jenkins 2018-05-30 Teaching the Beatles is designed to provide ideas for instructors who teach the music of the Beatles. Experienced contributors describe varied approaches to effectively convey the group's characteristics and lasting importance. Some of these include: treating the Beatles' lyrics as poetry; their influence on the world of art, film, fashion and spirituality; the group's impact on

post-war Britain; political aspects of the Fab Four; Lennon and McCartney's songwriting and musical innovations; the band's use of recording technology; business aspects of the Beatles' career; and insights into teaching the Beatles in an online format.

The Beatles Bob Spitz 2012-06-25 As soon as The Beatles became famous, the spin machine began to construct a myth--one that has continued to this day. But the truth is much more interesting, much more exciting, and much more moving. In this bestselling book, Bob Spitz has written the biography for which Beatles fans have long waited. 32 pages of b/w photos. *Fab* Howard Sounes 2010-10-26 Howard Sounes, the bestselling author of *Down the Highway: The Life of Bob Dylan* and *Charles Bukowski: Locked in*

the Arms of a Crazy Life, turns his considerable reporting and storytelling skills to one of the most famous, talented—and wealthiest—men alive: Paul McCartney. Fab is the first exhaustive biography of the legendary musician; it tells Sir Paul's whole life story, from childhood to present day, from working-class Liverpool beginnings to the cultural phenomenon that was The Beatles to his many solo incarnations. Fab is the definitive portrait of McCartney, a man of contradictions and a consummate musician far more ruthless, ambitious, and moody than his relaxed public image implies. Based on original research and more than two hundred new interviews, Fab also reveals for the first time the full story of his two marriages, romances,

family feuds, phenomenal wealth, and complex relationships with his fellow ex-Beatles.

The Beatles as Musicians Walter Everett 1999 The Beatles as Musicians is a comprehensive, chronologically ordered study of every aspect of the group's musical life--composition, performance, recording and reception histories--in its transcendent late period, from 1966 to 1970. Richly authoritative interpretations are interwoven through a documentary study of many thousands of audio and other sources.

Beat Merchants Alan Clayson 1995 An in-depth examination of every aspect of the British Beat Group's origins, emergence, golden era and endless aftermath, in revival shows. Illus.

The Quiet One Alan Clayson 1996 George Harrison's career has been

known to have been blighted with drug abuse, religious obsession, marital ructions, and proven artistic plagiarism, but muckrackers would be hard pressed to ravage the reputation of this now distinguished, charitable, and humorous middle-aged musician whose character, unlike those of John, Paul, and Ringo, is hinged on a secure, liberal family background.

Nilsson Alyn Shipton 2013-06-19 Paul McCartney and John Lennon described him as the Beatles' "favorite group," he won Grammy awards, wrote and recorded hit songs, and yet no figure in popular music is as much of a paradox, or as underrated, as Harry Nilsson. In this first ever full-length biography, Alyn Shipton traces Nilsson's life from his Brooklyn childhood to his Los Angeles

adolescence and his gradual emergence as a uniquely talented singer-songwriter. With interviews from friends, family, and associates, and material drawn from an unfinished autobiography, Shipton probes beneath the enigma to discover the real Harry Nilsson. A major celebrity at a time when huge concerts and festivals were becoming the norm, Nilsson shunned live performance. His venue was the studio, his stage the dubbing booth, his greatest triumphs masterful examples of studio craft. He was a gifted composer of songs for a wide variety of performers, including the Ronettes, the Yardbirds, and the Monkees, yet Nilsson's own biggest hits were almost all written by other songwriters. He won two Grammy awards, in 1969 for "Everybody's Talkin'" (the theme song for Midnight

Cowboy), and in 1972 for "Without You," had two top ten singles, numerous album successes, and wrote a number of songs--"Coconut" and "Jump into the Fire," to name just two-- that still sound remarkably fresh and original today. He was once described by his producer Richard Perry as "the finest white male singer on the planet," but near the end of his life, Nilsson's career was marked by voice-damaging substance abuse and the infamous deaths of both Keith Moon and Mama Cass in his London flat. Drawing on exclusive access to Nilsson's papers, Alyn Shipton's biography offers readers an intimate portrait of a man who has seemed both famous and unknowable--until now.

Led Zeppelin Alan Clayson 2006
Esteemed music historian Alan Clayson traces every session, recording and

live appearance made by each future member of Led Zeppelin and woven the results into a rich and insightful text containing a factually accurate 'family tree' of the future band and all their musical and professional colleagues. A fascinating view of the influences absorbed by the four musicians who would go on to form the greatest rock band of all time and a detailed insight into the workings of the industry at a time when it was producing some of the most famous groups in music history.

Cilla: 1943-2015 Douglas Thompson 2014-09-04 'IT WAS A PRIVILEGE TO KNOW AND LOVE HER'- Paul McCartney
The news that Cilla Black had died in August at the age of seventy-two triggered an outpouring of love and a wave of sadness that spread around the world. Her infectious personality

and her common touch made her one of Britain's best loved entertainers. Known to one generation for a string of number-one hits like Anyone Who Had a Heart and You're My World, and loved by another for hosting the classic ITV show Blind Date, Cilla came a long way from hanging coats in Liverpool's Cavern Club for five bob an hour. In *Cilla: 1943-2015*, Douglas Thompson traces her rise to the top, her heart-warming marriage to Bobby Willis and the profound effect his death had on her. This affectionate biography is a fitting tribute to our Cilla, a huge talent who became a national treasure.

'Every Sound There Is' Russell Reising 2017-10-03 *'Every Sound There Is': Revolver and the Transformation of Rock and Roll* assesses and celebrates the Beatles'

accomplishment in their 1966 masterpiece. The essays of *Every Sound There Is* examine *Revolver* from a large number of complementary starting points that help us to understand both the album's contemporary creation and reception and the ways in which it continues to shape the creation and reception of popular music in the twenty-first century. Responding to the incredible diversity of *Revolver*, this gathering of international scholars focuses on the Beatles' 1966 album as one of rock and roll history's threshold moments. Bringing to bear approaches from the disciplines of musicology, cultural studies, poetics, gender studies, these essays address matters as diverse as the influence of American R&B on *Revolver* as well as its influence on Pink Floyd, each

Beatles contributions to the album, the musicological significance of the Beatles' harmonies and chord progressions, its status and coherence as a work of art, the technological and marketing significance of Revolver's recording and distribution, and its influence on the development of rock music.

The Day John Met Paul Jim O'Donnell
2006-11-06 With many new photos and an updated introduction, *The Day John Met Paul*, a critically-acclaimed Beatles book, reappears in a visually stunning second edition. The book is an hour-by-hour account of the fateful day the two founding Beatles met in July 1957. But it is much more than that: it's a spellbinding story of how fate brought together two men who would radically change the face of popular music, from its look and

feel to its sound. Jim O'Donnell, a veteran rock music writer, spent eight years researching *The Day John Met Paul*. Published in 1996 and translated into several languages, the book was widely praised for its blend of accurate reporting and colorful storytelling. Long out of print, but revered among Beatles fans, the new printing enlivens the text with many well-chosen photos of the Liverpool landmarks--from Strawberry Field to Penny Lane--that played a role in the Beatles' lives and works. *The Day John Met Paul* chronicles the first "Day in the Life" of the Beatles--a day that changed the musical world.

Best of the Beatles Spencer Leigh
2015-04-30 Why was Pete Best sacked from the Beatles? In this unique book, based on extensive research and

interviews with those close to the events, Spencer Leigh has gathered the clues together to try and solve the greatest Beatles mystery of all. On 16 August 1962, the Beatles drummer, Pete Best, went to see their manager, Brian Epstein, in his Liverpool office. He thought that Epstein wanted to discuss future bookings with him but instead, Epstein sacked him. Pete had not seen it coming. Why did Brian Epstein do it and not the Beatles themselves? Why did they want to be rid of him? Why did they do it so callously? Pete never spoke to any of them again. Best of the Beatles: The sacking of Pete Best tells you what really happened and is essential reading for Beatles fans.

Ringo Michael Seth Starr 2016-09-01
RINGO: WITH A LITTLE HELP

Read the Beatles June Skinner Sawyers 2006-10-31 A must-have volume for all Beatles fans-a career-spanning selection of writings about the Fab Four There are, of course, many books on the Beatles, but this is the only one available that is a comprehensive, career-spanning collection of journalism about the legendary band, before and after the breakup. Consisting of more than fifty articles, essays, interviews, record and movie reviews, poems, and book excerpts-many of them rare and hard to find-Read the Beatles is an unprecedented compilation that follows the arc of the Fab Four's iconic and idiosyncratic career, from their early days in Liverpool through their tragic and triumphant histories after the group's split. The book also includes original essays from

noted musicians and journalists about the Beatles' lasting influence and why they still matter today.

Woman Alan Clayson 2004 Yoko Ono is known the world over -- primarily as either John Lennon's second wife or 'the woman who split the Beatles'. However Yoko was with John for just fourteen years. She is now well into her seventies. And The Beatles would have split anyway. This book takes the entire life, loves, art and career of Yoko Ono as its subject matter, and for the first time tells her complete story -- from her upbringing in a post nuclear Japan, through schooling in New York and her entry into that city's modern art community, through her move to London in the 1960s and her first meeting there with John Lennon. The 'Lennon Years' are covered in detail as are

the years following his death, as she brought up the couples' son Sean by herself. The story is completed with an appraisal of Yoko Ono's art and music, which has rarely been the subject of any serious discussion in this kind of book. Book jacket.

A Beatles Miscellany John Van der Kiste 2017-05-14

The Beatles: Having Read the Book
Greg Sterlace 2017-06-04 The cottage industry of Beatles publications is more prolific now than it ever was. As the band recedes into the mystic fog of 20th century history we get more and more documentation about their music, their love lives, their personalities, and their finances. I wanted to try to make sense of it by reviewing the best and the worst of the Beatles tomes as they stand side by side in bookstores everywhere. I

spent 40 years reading about them knowing that one day I would share my accumulated knowledge with the fans in Pepperland. Having read the book, I'd love to turn you on.

The Beatles as Musicians Associate Professor of Music in Music Theory Walter Everett 2001 This volume is a comprehensive, chronologically-ordered study of every aspect of the musical life of the Beatles - composition, performance, recording and reception histories - from the group's beginnings in 1956 through to 1965.

Ringo Starr Alan Clayson 1992 Profiles the Beatles' flamboyant stick man beginning in the dingy Liverpool suburb where he was born and traces the emergence of Ringo Starr, one of rock's most visible drummers

Ringo Starr Alan Clayson 2001 The latest Beatles album of all their No.1 singles has sold over 2 million copies worldwide and topped the charts in 15 countries. Their Anthology book is in the bestseller's lists. Forty years after changing the face of popular music. The Beatles have been voted the nation's all-time favourite group in HMV and Channel 4's Music of the Millennium Poll. With The Beatles as popular as ever, no wonder Ringo Starr was, according to many, the luckiest man in pop music when he replaced Pete Best as the group's drummer. Straight Man Or Joker? follows Ringo through his entire life, tracing his careers as a musician and actor, his romantic liaisons, health problems, the battle and ultimate triumph over alcoholism and his barnstorming global solo tour

in 1989. This new edition brings Starr's life right up to date including Ringo's GBP]500,000 fees for voiceovers; the continuing box-office popularity of his All Starr Band; his new studio album, Vertical Man (his best since 1973, according to Mojo); The Beatles' Anthology autobiography and the 1 album; his children's entertainment work; and new and rediscovered information about Ringo's ancestry. This is the only biography of Ringo Star

View from the Exterior Alan Clayson 1998 French cult figure, Serge Gainsbourg is forever synonymous with 'Je T'Aime -- Moi Non Plus' on which he and Jane Birkin simulated the sounds of erotic congress. But this 1969 Number One was a mere sideshow to an eye-stretching career in which he bestrode Gaelic culture as a

singing composer, novelist, film director and actor. In this first full biography in English, Clayson reveals the whole, outrageous story, of this unlikely pop star: lover of icons, a natural at courting controversy via outrageous recordings.

The Walrus Was Ringo Alan Clayson 2003 When it comes to the pub pop quiz, everybody's a Beatles expert, or at least they think they are. But this book reveals that a lot of what has been written is completely untrue. Esteemed Beatles experts Clayson and Leigh have interviewed thousands of individuals from the Beatles Story, and definitively savage 101 of the most commonly held beliefs, including: Paul's original title for Yesterday was Scrambled Eggs; The Beatles never recorded

together after the Abbey Road sessions in 1970; Stuart Stucliffe died after being beaten up by John; Elvis rivals The Beatles for No. 1 hits.

The Beatles Allan Kozinn 1995-10-19
The explosive development of the young musicians who became a phenomenon.

John Lennon Jeff Burlingame
2010-07-01 "A biography of British-born rock-and-roll legend John Lennon, who lived and died in New York City. This book discusses his early life, rise and fall of the Beatles, personal hardships, and legacy"--Provided by publisher.

The Drum Book Geoff Nicholls

The Beatles through a Glass Onion
Mark Osteen 2019-03-11 The Beatles, the 1968 double LP more commonly

known as the White Album, has always been viewed as an oddity in the group's oeuvre. Many have found it to be inconsistent, sprawling, and self-indulgent. The Beatles through a Glass Onion is the first-ever scholarly volume to explore this seminal recording at length, bringing together contributions by some of the most eminent scholars of rock music writing today. It marks a reconsideration of this iconic but under-appreciated recording and reaffirms the White Album's significance in the Beatles' career and in rock history. This volume treats the White Album as a whole, with essays scrutinizing it from a wide range of perspectives. These essays place the album within the social and political context of a turbulent historical moment; locate

it within the Beatles' lives and careers, taking into consideration the complex personal forces at play during the recording sessions; investigate the musical as well as pharmaceutical influences on the record; reveal how it reflects new developments in the Beatles' songwriting and arranging; revisit the question of its alleged disunity; and finally, track its legacy and the breadth of its influence on later rock, pop, and hip-hop artists. The Beatles through a Glass Onion

features the scholarship of Adam Bradley, Vincent Benitez, Lori Burns, John Covach, Walter Everett, Michael Frontani, Steve Hamelman, Ian Inglis, John Kimsey, Mark Osteen, Russell Reising, Stephen Valdez, Anthony D. Villa, Kenneth Womack, and Alyssa Woods. John Covach's Afterword summarizes the White Album's lasting impact and value. The Beatles through a Glass Onion represents a landmark work of rock music scholarship. It will prove to be an essential and enduring contribution to the field.
