**Nuclear Terrorism** Graham Allison 2004-08-09 Predicts that a catastrophic nuclear attack is likely to occur within the next decade if policy makers continue present tactics, and states that such an attack is preventable, offering recommendations for addressing national vulnerabilities.

**Rule #1** Phil Town 2006-03-21 #1 NEW YORK TIMES BESTSELLER • “The clearest and best book out there to get you on the path to riches. This one’s special!”—Jim Cramer, host of CNBC’s Mad Money “Great tools for anyone wanting to dabble in the stock market.”—USA Today Phil Town is a very wealthy man, but he wasn’t always. In fact, he was living on a salary of \$4,000 a year when some well-timed advice launched him down a highway of investing self-education that revealed what the true “rules” are and how to make them work in one’s favor. Chief among them, of course, is Rule #1: “Don’t lose money.” In this updated edition to the #1 national bestseller, you’ll learn more of Phil’s fresh, think-outside-the-box rules, including: • Don’t diversify • Only buy a stock when it’s on sale • Think long term—but act short term to maximize your return • And most of all, beat the big investors at their own game by using the tools designed for them! As Phil demonstrates in these pages, giant mutual funds can’t help but regress to the mean—and as we’ve all learned in recent years, that mean could be very disappointing indeed. Fortunately, Rule #1 takes readers step-by-step through a do-it-yourself process, equipping even the biggest investing-phobes with the tools they need to make quantum leaps toward financial security—regardless of where the market is headed.

**Investing Made Simple** Adidas Wilson Everybody wants financial freedom. Many try to find it by doing what they are passionate about. There are people who have found it by climbing up the ladder in the company where they work while others have started a business. In the past five-year period, more millionaires have emerged than in any other period. Online resources and the internet in general are responsible for much of that success. Most of these people have been cool enough to write about their success and offer some advice and insight about success and what to do to attain it. One thing that has been mentioned in a majority of the books is the “secrets to financial freedom”. So, what are these secrets? No matter how much money you make, if you have no idea how to manage it you will never attain financial freedom—you will not even come close. You need to learn how to manage what you make and cultivate a culture of saving. Your money should work for you. If you have uncontrollable spending habits, you will end up doing even worse than people who make way less than you. The first step to financial freedom is saving. Analyze your spending habits. Control your spending habits and start budgeting and saving. Next, learn about investing your savings. This is among the most crucial decisions of your life. Take your time and research growth markets. Loving what you do will take you closer to the financial freedom you yearn for. You can make a lot of money but lead a miserable life because you do not enjoy your job. If you follow your passion, all other things will fall into place. The best way to choose a career that you love is by getting into one that utilizes your strengths. You will be an important asset to the company or your business. A person with well-defined goals is “like a ship with a compass”, heading in a specific direction. If you do not have goals, it will be easy to get lost at sea. Have a clear plan of what you want to achieve and the methods you will use to achieve it.

**The Psychology of Money** Morgan Housel 2020-09-08 Doing well with money isn’t necessarily about what you know. It’s about how you behave. And behavior is hard to teach, even to really smart people. Money—investing, personal finance, and business decisions—is typically taught as a math-based field, where data and formulas tell us exactly what to do. But in the real world people don’t make financial decisions on a spreadsheet. They make them at the dinner table, or in a meeting room, where personal history, your own unique view of the world, ego, pride, marketing, and odd incentives are scrambled together. In *The Psychology of Money*, award-winning author Morgan Housel shares 19 short stories exploring the strange ways people think about money and teaches you how to make better sense of one of life’s most important topics.

**The Essays of Warren Buffett** Warren Buffett 2021 As in previous editions of *The Essays of Warren Buffett*, this one retains the architecture and philosophy of the original edition but adds selections from Warren Buffett’s most recent annual shareholder letters. All the letters are woven together into a fabric that reads as a complete and coherent narrative of a sound business and investment philosophy. As an aid to all readers, and to enable readers of the previous editions to see what is new in this one, a disposition table at the end of the book shows the various places in this collection where selections from each year’s letter appear. Footnotes throughout indicate the year of the annual report from which essays are taken. To avoid interrupting the narrative flow, omissions of text within excerpts are not indicated by ellipses or other punctuation. This new edition is called for not because anything has changed about the fundamentals of Buffett’s sound business and investment philosophy but because articulation of that philosophy is always delivered in the context of contemporary events and business conditions so periodic updating is warranted to maintain its currency

**University of Berkshire Hathaway** Daniel Pecaut 2017-03 Each year, for thirty years, two veteran investment advisors attended Berkshire Hathaway’s Annual Shareholders Meeting. After each meeting, they chronicled Warren Buffett and Charlie Munger’s best lessons from that year. This book compiles those thirty years of wisdom for the first time.

**The Essays of Warren Buffett** Lawrence A. Cunningham 2013-03-15 In the third edition of this international best seller, Lawrence Cunningham brings you the latest wisdom from Warren Buffett’s annual letters to Berkshire Hathaway shareholders. New material addresses: the financial crisis and its continuing implications for investors, managers and society; the housing bubble at the bottom of that crisis; the debt and derivatives excesses that fueled the crisis and how to deal with them; controlling risk and protecting reputation in corporate governance; Berkshire’s acquisition and operation of Burlington Northern Santa Fe; the role of oversight in heavily regulated industries; investment possibilities today; and weaknesses of popular option valuation models. Some other material has been rearranged to deepen the themes and lessons that the collection has always produced: Buffett’s “owner-related business principles” are in the prologue as a separate subject and valuation and accounting topics are spread over four instead of two sections and reordered to sharpen their payoff. **The Joys of Compounding** Gautam Baid 2020-06-02 Value investing is not just a system for success in the market. It is also an intellectual toolkit for achieving a deeper understanding of the world. In *The Joys of Compounding*, the value investor Gautam Baid builds a holistic approach to value investing and philosophy from his wide-ranging reading, combining practical approaches, self-cultivation, and business wisdom. Distilling investment and life lessons into a comprehensive guide, Baid integrates the strategies and wisdom of preeminent figures whose teachings have stood the test of time. Drawing on the work of investing greats like Warren Buffett, Charlie Munger, and Ben Graham, as well as philosophers and scholars, he artfully interweaves the lessons learned from his many teachers. Baid demonstrates their practical applications in the areas of business, investing, and decision making and also shows that these ideas can be applied to one’s own life with just as much reward. A celebration of the value investing discipline, this book also recounts Baid’s personal experiences, testifying to his belief that the best investment you can make is an investment in yourself. *The Joys of Compounding* offers curated reflections on life and learning for all investors, investment enthusiasts, and readers seeking a dose of practical wisdom. This revised and updated edition highlights Baid’s distinctive voice.

**The Warren Buffett Way** Robert G. Hagstrom 1997-04-07 Describes the investment strategies of the world’s most famous stock investor, recounting how he made a fortune by purchasing pieces of outstanding companies since the early 1980s

**The Essays of Warren Buffett** Warren Buffett 2008 The definitive work concerning Warren Buffett and intelligent investment philosophy, this is a collection of Buffett’s letters to the shareholders of Berkshire Hathaway written over the past few decades that together furnish an enormously valuable informal education. The letters distill in plain words all the basic principles of sound business practices. They are arranged and introduced by a leading apostle of the “value” school and noted scholar, Lawrence Cunningham.What’s new in the second edition? This new edition has extensive additional content that highlights topics of vital national or international significance, including: - the proliferation of stock option compensation and excessive CEO pay; - Berkshire’s shareholder-designated contribution program and the controversy over the abortion issue that led to its termination; - the explosion of derivative financial instruments and related perils and how Berkshire dealt with managing a sizable portfolio of them after buying Gen Re; - the dramatic increase in foreign currency trading in the past five years along with the astonishing growth in the US trade deficit; - management succession at Berkshire Hathaway as Mr. Buffett ages; - commentary on his philanthropic thinking in giving his entire fortune to charities; and - the fairness and other matters concerning taxation of corporations.Here in one place are the priceless pearls of business and investment wisdom, woven into a delightful narrative on the major topics concerning both managers and investors. These timeless lessons are useful to members of a wide range of professions, including law, accounting, finance and management, and provide rich teaching materials for courses in those fields.

**Warren Buffett Book of Investing Wisdom** Robert L. Bloch 2021-06-01 Compiled by the son of the cofounder of H&R Block, a collection of business quotes and advice from the most successful investor of the twentieth century, Warren Buffett. Warren Buffett, chairman and CEO of Berkshire Hathaway, is widely considered the most successful investor of the twentieth century. Since the early 1950s, Buffett has proved himself to be an astute investor, and he turned Berkshire Hathaway from a struggling small textile business into the tenth-largest public company in the world, valued at more than \$600 billion. Buffett is well known for his simple but invaluable principles regarding investing and finances, and countless businessmen and people looking to be smarter with their money and their investments have turned to Buffett for his advice. One of those people is Robert Bloch, son of the cofounder of the tax preparation company H&R Block. The Warren Buffett Book of Investing Wisdom contains 350 quotes that Bloch has personally found to be indispensable to financial success. With the written blessing of Buffett himself, Bloch has selected the best of Buffett, wisdom that will guide you to becoming the most disciplined and rational long-term investor you can be.

**Think, Act, and Invest Like Warren Buffett: The Winning Strategy to Help You Achieve Your Financial and Life Goals** Larry Swedroe 2014-03-07 Bedrock investing principles for profiting in today’s shaky markets If you wanted to create the next earth-shattering consumer product, Steve Jobs would be an ideal role model to follow. If you planned to become a great golfer, you might look to Arnold Palmer or Jack Nicklaus. So, if your goals were to outperform other investors and achieve your life’s financial goals, what should you do? Think, act and invest like the best investor out there: Warren Buffett. While you can’t invest exactly like he does, Think, Act, and Invest Like Warren Buffett provides a solid, sensible investing approach based on Buffett’s advice regarding investment strategies. When it comes to investing, Director of Research for the BAM Alliance and CBS News blogger Larry Swedroe has pretty much seen it all—and he’s come to the conclusion that simple is better, that adopting basic investing principles always increases an investor’s chance of success and that Buffett is the perfect model for such investing. In Think, Act, and Invest Like Warren Buffett, Swedroe provides the foundational knowledge you need to: Develop a financial plan to help you make rational decisions on a consistent basis Determine the level of risk that’s right for you and allocate your assets

accordingly Create a strong portfolio that will weather any economic storm Manage your portfolio—rebalance periodically to maintain proper risk levels The beauty of the Buffett approach is its profound simplicity: follow the basics, keep your cool, and have a sense of humor. The market volatility of recent years has ushered in armies of economists, forecasters and other so-called experts whose job it is to explain how everything works. Somehow, they have managed to muddy the waters even more. The truth is, investing is easier than you think—even in today’s economy. “Complex problems can have simple solutions,” Swedroe writes. Think, Act, and Invest Like Warren Buffett helps you go back to the basics—so you can leap in front of the investing pack. Praise for Think, Act, and Invest Like Warren Buffett: “You could not spend a more profitable hour than reading Larry Swedroe’s wise and lucid investment guide.” —Burton Malkiel, author, *A Random Walk Down Wall Street* “If you’ve been wondering why you’ve had such a hard time investing well, Playing the Winner’s Game will diagnose your ills and treat them in just ninety short, delightful pages.” —William Bernstein, author, *A Splendid Exchange and The Investor’s Manifesto* “Follow the investment strategy advocated by Larry Swedroe, and free yourself to spend your time on life’s treasures—like your family and friends!” —William Reichenstein, professor, Baylor University “As someone who teaches a college investments course, I would not have thought it possible to do what Swedroe has done in such a short concise book.” —Edward R. Wolfe, professor of finance, Western Kentucky University “It’s amazing. Larry Swedroe managed to pen a magnificent book not only chock full of actionable advice, but one that’s fun to read. Get a copy and treat yourself to a better financial future.” —Harold Evensky, president, Evensky & Katz “Larry Swedroe is the undisputed expert in helping investors manage portfolios the smart way. His new book, *Playing the Winner’s Game*, combines all facets of wealth management in an inspiring and powerful manner.” —Bill Schulthes, author, *The New Coffeehouse Investor Warren Buffett* George Ilian 2016-09-19 Do you want learn how to invest like Warren Buffett?This book offers an introduction to Buffett, his business success and the lessons that we can learn from him. This is not a text book nor a biography, but more of a cheat sheet for reading on the bus or in the bathroom, so that you can pick out the most significant points without having to carry around a bag of weighty tomes. You can read it all in one sitting, or look up specific case studies as and when you are looking for inspiration or direction. You will learn the most significant skills and qualities that made him the most successful investor ever, plus some of his greatest investing tips.

**Warren Buffett: the Life, Lessons and Rules for Success** Influential Individuals 2017-07-15 Warren Buffett: The Life, Lessons & Rules For Success He’s been consistently voted one of the wealthiest people in the world. Time Magazine also voted him as one of the most influential people in the world; widely considered to be the most successful investor of the entire 20th century. In short, Warren Buffett is a boss. The man knows a thing or two about success. With a net worth of \$77.1 billion, the billionaire investor’s fabled business acumen has inspired everything from investment books to college courses. He is known to favor long-term investment strategies, like dollar cost averaging, which encourages the regular purchase of the same investment over time. He also has long-standing holdings in the Coca-Cola Company, Apple, and American Express among others. His now infamous letters to Berkshire Hathaway shareholders help shed light into how the man they call the “Oracle of Omaha,” reads the tealeaves. This book takes a look at Buffett’s life. From humble beginnings in Omaha, up to present day where the 86 year old is still going strong. We take a look at his first taste of business at the ripe old age of 6, following on with his major successes and failures along the way. The aim of this book is to be educational and inspirational with actionable principles you can incorporate into your own life straight from the great man himself. \*INCLUDE\* 25 Most Memorable Quotes & 15 Success Principles to Live by Don’t wait, grab your copy today!

**Warren Buffett Invests Like a Girl** The Motley Fool 2011-06-21 \*\*\* Wall Street Journal bestseller \*\*\* Investing isn’t a man’s world anymore—and this provocative and enlightening book shows why that’s a good thing for Wall Street, the global financial system, and your own personal portfolio. Warren Buffett and all of the women of the world have one thing in common: They are better investors than the average man. It’s been proved by psychologists and scientists, and the market calamities of the past two years have only provided more statistical and anecdotal evidence of the same. Here are just a few characteristics of female investors that distinguish them from their male counterparts. • Women spend more time researching their investment choices than men do. This prevents them from chasing “hot” tips and trading on whims -- behavior that tends to weaken men’s portfolios. • Men trade 45% more often than women do, and although men are more confident investors, they tend to be overconfident. By trading more often -- and without enough research -- men reduce their net returns. But by trading less often, women get better returns and also save on transaction costs and capital gains taxes. • A study by the University of California at Davis found that women’s portfolios gained 1.4% more than men’s portfolios did. What’s more, single women did even better than single men, with 2.3% greater gains. • Women tend to look at more than just numbers when deciding whether to invest in a company. They invest in companies they feel good about ethically and personally. And companies with good products, good services, and ethics tend to have better long-term prospects -- and face fewer lawsuits. Women, with their capability for patience and good decision-making, epitomize the Foolish investment philosophy and the investment practices of the most successful investor in history: Warren Buffett. While men are brash, compulsive, and overly daring, women tend to be more studious, skeptical, and reasonable. This indispensable volume from the multimedia financial education company Motley Fool offers essential advice for every investor hoping to turn today’s savings into wealth for a better tomorrow.

**Secret Millionaire Club** Andy Heyward 2013-07-24 Priceless finance advice everyone can relate to from one of the world’s most respected businessmen and the most successful investor of all time Of course you know who Warren Buffett is; he’s the most successful investor in the world—maybe of all times. But whatdo you know about his approach to business and investing? It’s an approach that, over the past four decades, has made him richest man in America and the third-richest man in the world, and that has earned vast fortunes for his business partners and investors. Butas Buffett himself will tell you, at the heart of anyway-building system there are certain core beliefs, not just about finance, but about business, work, morality, your responsibility to yourself, your family and society, and aboutliving a decent life. Written in conjunction with the hittelevision series, “Secret Millionaire Club” and with Buffett’s input and full support, this book makes Buffett’s financial philosophy and homespun life lessons available to everyone outsidehis “Secret Club.” Warren Buffett’s goal in spearheading this book was to sharelessons about personal finance he has learned and that he hopeswill benefit you (and your kids) for a lifetime You’ll learn the fundamentals of personal finance by readingWarren Buffett’s war stories and personal reflections on money, life, business, ethics and more All of the finance principles covered in the book were personally approved by Warren Buffett as those which he himself follows Unforgettable Buffett quotes include: “Price is what you pay. Value is what you get”; “Risk comes from not knowing what you’re doing”; and “Profit from folly rather than participate in it.”

**Buffett's Tips** John M. Longo 2020-12-22 Praise for BUFFETT’S TIPS “John Longo and his son, Tyler, have performed a valuable service, taking the wisdom of Warren Buffett (the supply of which is ample) and distilling from it 100 ‘tips,’ with the authors’ own explanatory text, to guide the reader from financial ignorance to a degree of financial literacy. Along the way, there are useful lessons for life in general. If you have a friend, child, or parent who needs a pathway to a better understanding of some financial fundamentals, get this book for them—it’ll go a long way to bringing them up to speed.” —Simon Lorne, Vice Chairman and Chief Legal Officer, Millennium Management LLC; former Partner, Munger, Tolles & Olson “Priceless. 100 investment and life tips from the Oracle—a great read for the beginning investor.” —S. Basu Mukel, retired Portfolio Manager and Managing Director, Neuberger Berman; former General Partner, Omega Advisors; noted value investor; former “Marketwatch Fund Manager of the Year” John Longo has a well-earned reputation for excellence in teaching at the University level. Working with his son Tyler, John now extends his passion for education out of the classroom and across generations with this guidebook to the essential tools for financial proficiency.” —Gregory P. Francfort, noted value investor; former Institutional Investor “All-Star Analyst” “John and his son have written an invaluable guide steeped in the wisdom of Warren Buffett. Marrying sound financial advice with general life lessons, Buffett’s Tips provides a solid foundation for advancing financial literacy across a broad multi-generational audience.” —Joshua Rosenbaum, Joshua Pearl, Joseph Gasparro, co-authors, *The Little Book of Investing Like the Pros and Investment Banking: Valuation, LBOs, M&A, and IPOs*

**The Oracle Speaks** David Andrews 2012 ""A collection of direct quotes from Warren Buffett on topics related to business, investing, leadership, and life from his own speeches, interviews, and writings"--Provisioned by publisher--

**One Thousand Ways to Make \$1000 F. C. Minaker** 2017-07-11 First published in 1936, *One Thousand Ways to Make \$1000* is the long out-of-print book that Warren Buffett’s biographers credit with shaping the legendary investor’s business acumen and giving him his trademark appreciation of compound interest. After pulling a copy of *One Thousand Ways* off a library shelf at age eleven and devouring F. C. Minaker’s plucky and practical business advice, Buffett declared that he would be a millionaire by the time he was 35. Written in the immediate, conversational style of Dale Carnegie’s *How to Win Friends and Influence People*, this book is full of inventive ideas on how to make money through excellent salesmanship, hard work, and resourcefulness. While some of the ideas may seem quaint today-god dairying, manufacturing motor-driven chairs, and renting out billiard tables to local establishments are among the money-making ideas presented--the underlying fundamentals of business explained in these pages remain as solid as they were over seventy years ago. Covering a wide spectrum of topics including investing, marketing, merchandising, sales, customer relations, and raising money for charity, *One Thousand Ways to Make \$1000* is both a durable, classic business book and a fascinating portrait of determined entrepreneurship in Depression-era America. Every effort has been made to reproduce the content exactly as it was originally presented.

**Dividend Investing Made Easy** Matthew R. Kratter 2018-05-28 Ready to start finally building wealth for your family? Interested in the stock market, but don't know where to begin? **Being Warren Buffett** Nic Liberman 2015-05-07 Is there a secret to Warren Buffett's success? Surprisingly, little is known about what really makes Warren Buffett so extraordinarily successful as an investor. So Nic Liberman set out to uncover the essence of his genius and, along the way, found that this cheerful billionaire has a unique combination of character traits. Being Warren Buffett is not a guide to investing. It is a thought-provoking investigation into the value of self-awareness, and how pairing our personalities to our endeavours could be the key to leading a fulfilling life.

**The Snowball** Alice Schroeder 2009-09-16 Shortlisted for the Financial Times and Goldman Sachs Business Book of the Year Prize 2008 The Snowball is the first and will be the only biography of the world's richest man, Warren Buffett, written with his full cooperation and collaboration. Combining a unique blend of "The Sage of Omaha's" business savvy, life story and philosophy, The Snowball is essential reading for anyone wishing to discover and replicate the secrets of his business and life success. Warren Buffett is arguably the world's greatest investor. Even as a child he was fascinated by the concept of risk and probability, setting up his first business at the age of six. In 1964 he bought struggling Massachusetts textile firm Berkshire Hathaway and grew it to be the 12th largest corporation in the US purely through the exercise of sound investing principles - a feat never equalled in the annals of business. Despite an estimated net worth of around US\$62 billion, Buffett leads an intriguingly frugal life taking home a salary of only £50,000 a year. His only indulgence is a private jet, an extravagance he wryly acknowledges by calling it "The Indefensible". In 2006, he made the largest charitable donation on record, with most of it going to the Bill & Melinda Gates Foundation. The Snowball provides a comprehensive, richly detailed insight one of the world's most extraordinary and much loved public figures.

**Richer, Wiser, Happier** William Green 2021-04-20 From a renowned financial journalist who has written for Time, Fortune, Forbes, and The New Yorker, a fresh and unexpectedly profound book that draws on hundreds of hours of exclusive interviews with many of the world’s super-investors to demonstrate that the keys for building wealth hold other life lessons as well. Billionaire investors. If we think of them, it’s with a mixture of awe and suspicion. Clearly, they possess a kind of genius—the proverbial Midas Touch. But are the skills they possess transferable? And do they have anything to teach us besides making money? In *Richer, Wiser, Happier*, William Green draws on interviews that he’s conducted over twenty-five years with many of the world’s greatest investors. As he discovered, their talents extend well beyond the financial realm. The most successful investors are mavericks and iconoclasts who question conventional wisdom and profit vastly from their ability to think more rationally, rigorously, and objectively. They are master game players who consciously maximize their odds of long-term success in markets and life, while also minimizing any risk of catastrophe. They draw powerful insights from many different fields, are remarkably intuitive about trends, practice fanatical discipline, and have developed a high tolerance for pain. As Green explains, the best investors can teach us not only how to become rich, but how to improve the way we think, reach decisions, assess risk, avoid costly errors, build resilience, and turn uncertainty to our advantage. Green ushers us into the lives of more than forty super-investors, visiting them in their offices, homes, and even their places of worship—all to share what they have to teach us. *Richer, Wiser, Happier* brings together the thinking of many of the greatest investment minds, from Sir John Templeton to Charlie Munger, Jack Bogle to Ed Thorp, Will Danoff to Mohnish Pabrai, Bill Miller to Laura Geritz, Joel Greenblatt to Howard Marks. In explaining how they think and why they win, this landmark book provides gems of insight that will enrich you not only financially but also professionally and personally.

**The Einstein of Money** Joe Carlen 2012-07-17 Warren Buffett—widely considered the most successful investor of all time—has repeatedly acknowledged Benjamin Graham as the primary influence on his investment approach. Indeed, there is a direct line between the record-shattering investing performance of Buffett (and other value investors) and Graham’s life. In six books and dozens of papers, Graham—known as the “Dean of Wall Street”—left an extensive account of an investing system that, as Buffett can attest, actually works! This biography of Benjamin Graham, the first written with access to his posthumously published memoirs, explains Graham’s most essential wealth-creation concepts while telling the colorful story of his amazing business career and his multifaceted, unconventional personal life. The author distills the best from Graham’s extensive published works and draws from personal interviews he conducted with Warren Buffett, Charles Brandes, and many other top US and global value investors, as well as Graham’s surviving children and friends. Warren Buffett once said, “No one ever became poor by reading Graham.” Find out for yourself by reading Carlen’s lively account of Benjamin Graham’s fascinating life and time-tested techniques for generating wealth.

**Buffett's Tips** John M. Longo 2020-11-24 Praise for BUFFETT’S TIPS “John Longo and his son, Tyler, have performed a valuable service, taking the wisdom of Warren Buffett (the supply of which is ample) and distilling from it 100 ‘tips,’ with the authors’ own explanatory text, to guide the reader from financial ignorance to a degree of financial literacy. Along the way, there are useful lessons for life in general. If you have a friend, child, or parent who needs a pathway to a better understanding of some financial fundamentals, get this book for them—it’ll go a long way to bringing them up to speed.” —Simon Lorne, Vice Chairman and Chief Legal Officer, Millennium Management LLC; former Partner, Munger, Tolles & Olson “Priceless. 100 investment and life tips from the

Oracle—a great read for the beginning investor." —S. Basu Mullick, retired Portfolio Manager and Managing Director, Neuberger Berman; former General Partner, Omega Advisors; noted value investor; former "Marketwatch Fund Manager of the Year" "John Longo has a well-earned reputation for excellence in teaching at the University level. Working with his son Tyler, John now extends his passion for education out of the classroom and across generations with this guidebook to the essential tools for financial proficiency." —Gregory P. Francfort, noted value investor; former Institutional Investor "All-Star Analyst" "John and his son have written an invaluable guide steeped in the wisdom of Warren Buffett. Marrying sound financial advice with general life lessons, Buffett's Tips provides a solid foundation for advancing financial literacy across a broad multi-generational audience." —Joshua Rosenbaum, Joshua Pearl, Joseph Gasparro, co-authors, The Little Book of Investing Like the Pros and Investment Banking: Valuation, LBOs, M&A, and IPOs

**My Warren Buffett Bible** Robert L. Bloch 2015-09-22 Compiled by the son of the cofounder of H&R Block, a collection of business quotes and advice from the most successful investor of the twentieth century, Warren Buffett. Warren Buffett, chairman and CEO of Berkshire Hathaway, is widely considered the most successful investor of the twentieth century. Since the early 1950s, Buffett has proved himself to be an astute investor, and he turned Berkshire Hathaway from a struggling small textile business into the fifth-largest public company in the world, valued at nearly \$350 billion. Buffett is well known for his simple but invaluable principles regarding investing and finances, and countless businessmen and people looking to be smarter with their money and their investments have turned to Buffett for his advice. One of those people is Robert Bloch, son of the cofounder of the tax preparation company H&R Block. My Warren Buffett Bible contains nearly three hundred quotes that Bloch has personally found to be indispensable to financial success. With the written blessing of Buffett himself, Bloch has selected the best of Buffett, wisdom that will guide you to becoming the most disciplined and rational long-term investor you can be.

**10 Golden Principles of Warren Buffett** Warren Buffett 101-01-01 It takes 20 years to build a reputation and five minutes to ruin it. If you think about that, you'll do things differently. Losers leave the field after failing. Winners keep failing until they achieve success. Warren Buffet keeps looking for persons who are self motivated. He says, "Even if I don't get any money, I and Charlie would be quite happy with our wonderful job".

Like the sayings of the ancient Chinese philosopher Lao-tzu, Warren Buffett's worldly wisdom is deceptively simple and enormously powerful in application. In *The Tao of Warren Buffett*, Mary Buffett—author of three books on Warren Buffett's investment methods—joins noted Buffettologist and international lecturer David Clark to bring you Warren Buffett's smartest, funniest, and most memorable sayings with an eye toward revealing the life philosophy and the investment strategies that have made Warren Buffett, and the shareholders of Berkshire Hathaway, so enormously wealthy. Warren Buffett's investment achievements are unparalleled. He owes his success to hard work, integrity, and that most elusive commodity of all, common sense. The quotations in this book exemplify Warren's practical strategies and provide useful illustrations for every investor—large or small—and models everyone can follow. The quotes are culled from a variety of sources, including personal conversations, corporate reports, profiles, and interviews. The authors provide short explanations for each quote and use examples from Buffett's own business transactions whenever possible to illustrate his words at work. As Warren says: "You should invest in a business that even a fool can run, because someday a fool will." "No matter how great the talent or effort, some things just take time: You can't produce a baby in one month by getting nine women pregnant." "Our method is very simple. We just try to buy businesses with good-to-superb underlying economics run by honest and able people and buy them at sensible prices. That's all I'm trying to do." The Tao of Warren Buffett inspires, amuses, sharpens the mind, and offers priceless investment savvy that anyone can take to the bank. This irresistibly browsable and entertaining book is destined to become a classic.
